SOUTH-CAROLINA.

To His Excellency JAMES GLEN, *Esq; Captain-General, Governor, and Commander in Chief, in and over the Province aforesaid.*

The Humble ADDRESS *of His Majesty's Council of the said Province, met in General Assembly.*

May it please Your Excellency,

WE, His Majesty's most Dutiful and Loyal Subjects, the Council of this Province, now met in General Assembly, take this early Opportunity of returning Your Excellency our very hearty Thanks, for Your Speech delivered Yesterday to the two Houses of Assembly, at the Opening the present Session; and for the strong Assurances Your Excellency is pleased to give us of centering all Your Views in the Welfare and Happiness of this Province; such Resolutions cannot fail, under the Divine Favour, of fixing the Prosperity and Happiness of His Majesty's Faithful and Loyal Subjects of this Province, on the most solid and lasting Foundations: And as we are, from innumerable Instances, convinced of His Majesty's Paternal Care of all His People, and as a Conjunction of Councils, in pursuit of the Public-Good and Welfare, will have the greatest Tendency to render our Happiness lasting and secure, we beg Leave to assure Your Excellency of our hearty and sincere Concurrence with Your Excellency, and the other Branch of the Legislature, in every Step You shall be pleased to take, to establish those desirable Ends; in which Your Excellency cannot fail of having the Approbation of all honest Men and true Lovers of their Country.

THE Situation of this Province, in being almost surrounded with powerful and numerous Nations of *Indians*, justly deserves to be a principal Object of our Regard and Attention; especially at a Time when other *European* Nations are courting their Friendship, or using their Endeavours to withdraw them from us, or make them weaken one another by Wars among themselves, which may be equally prejudicial to His Majesty's Interests, and the Peace and Welfare of this His Province.

WE have a just Sense of the Importance of the Business with which the Honourable Mr. *Bull* was lately charged, under Your Excellency's Commission, and of the happy Success of his Negotiations, in concluding the Peace betwixt the *Six* Nations and the *Catawba*'s: We have no Doubt, but that it will be the Means of preserving and securing that brave and faithful Ally, who otherwise, in all human Probability, would soon have been destroyed; this was truly a Service *Carolina* owed that People, for their long-experienced Fidelity and Attachment to this Government, and which we have the greatest Reason to expect, will redound to our own Quiet, and the future Peace and Security of the Province.

As the *Cherokee*'s are now in Town, and Your Excellency assures us, it is become a Work of the greatest Difficulty and Delicacy, to settle Matters with them; Your Excellency may be assured of the closest Attention and Care, on our Part, which so important and weighty a Concern to His Majesty's Interest, and the Peace and Security of this Province, requires; in which, as in all other Matters for the Public Good, we assure ourselves of Your Excellency's greatest Attention and Regard.

By Order of the House,

In the Upper House of Assembly, the 2nd Day of Nov. 1751. JAMES KINLOCH, *President.*

To which His Excellency returned the following

ANSWER.

Honourable Gentlemen,

IT *is the Duty of Subjects, when they know that they are happy, to express their Sense of it, and we Doubt such Declarations are agreeable to His Majesty; I therefore thank you for this Dutiful and Loyal Address: As for that Part of it, in which you are so kind as to mention my Endeavours to serve the Public, I return you hearty Thanks for your obliging Expressions; And from my past Experience, as well as from the fresh Assurances that you now give me, I shall depend upon your Advice and Assistance.*

LONDON, September 3.

FRom Paris we hear, that the king has sent orders to all the intendants of provinces to be very vigilant in their respective departments in preventing the exportation of grain; the harvest having been so indifferent, that they have nothing to spare for their neighbours.

We hear that some new laws and regulations for the government of the army, are under the consideration of the several general officers.

From the middle of July to the end of August about 8000 ounces of gold, and upwards of 300,000 ounces of silver, have been entered at the custom-house for exportation to Holland, part of which, one may suppose, is to make good the balance of *politicks*, balance of *trade*, and part to maintain the balance of *power*.

The beginning of last week a great quantity of warlike stores was shipped from the Tower and Woolwich for Nova-Scotia.

Sept. 7. All our letters from Holland agree, that every thing is in confusion there, without the least hope of remedy. The prince stadtholder has, according to his accustomed goodness, laboured, with all imaginable vigour, to bring people to their duty; but in vain, things are gone too far. The best counsels of the serene prince are no longer regarded in the same manner as they used to be some time ago. The cabal which opposes his serene highness has the upper hand, and have so thoroughly persuaded the public that the present regency have misconducted affairs, that it is apprehended the people would willingly take the first favourable opportunity to throw off the pretended yoke of the house of Orange, which is now, it is said, as much disliked as at first it was caressed and beloved.

On Thursday the Marquis de Mirepoix, ambassador from his most Christian majesty, received an express from his court with the news, that the Dauphiness was delivered of a prince on Friday morning last, and were both in a fair way of doing well.

Sept. 10. We learn from Petersburgh, that some foreign merchants have represented to the council of commerce, the convenient situation of the port of Archangel, for carrying on the whale and other fisheries from which train oil is produced, and offering, on certain terms, to set those fisheries on foot, their proposal has been extremely well received.

They write from Turin, that the king of Sardinia has farmed the product of the mines in his dominions, to a company of English merchants.

Sept. 12. The river Elbe at Hamburgh, having risen 16 feet by the late heavy rains, has overflowed all the warehouses and cellars in that city, and the damage thereby done is computed at 90,000 *l.* sterling.——Incredible damage has been

born down in other places by the rising of the said river.

Sept. 18. A few days ago was launched at Brest, the Hercules, a man of war of 74 guns; in the building of which, above a hundred of English carpenters were employed.

Letters from Toulon take notice, that they continue hard at work on the marine; and that they shall launch two new vessels of war in the beginning of October, and several more in a few weeks after.

Sept. 28. This day came on the election of a lord-mayor, when Thomas Winterbottom, Esq; alderman of Billingsgate ward, and Robert Alsop, Esq; alderman of Coleman-Street ward, were returned by the common hall to the court of aldermen, who made choice of Thomas Winterbottom; Alderman Alsop was appointed to Fishmongers hall, where an elegant entertainment was provided by Slingsby Bethell, Esq.

CHARLES-TOWN, *December* 2.

On Wednesday last new Writs were issued for electing, on Wednesday and Thursday the 18th and 19th Instant, 13 new Members of Assembly, viz. 2 for the Parish of St. *Philip Charles-Town*, in the Room of *Gabriel Manigault* and *George* [illegible], 2 for Prince *Frederick's*, in the Room of [illegible], Esq. 2 for St. *John's* in *Berkley* County, in the Room of Mr. *Hutchenson*, Mr. *John Hall*, and *Edward Harbin*, Esq. 1 for St. *James Goose-Creek*, in the Room of Mr. *Henry Smith*. 1 for St. *Paul's*, in the Room of *Richard Beale*, Esq. 1 for St. *John's* in *Colleton* County, in the Room of *Anthony Matthews*, Esq; and 2 for St. *Helen's*, in the Room of *George Saxby* and *William Roper*, Esqrs. which Writs are returnable the 8th Day of *January* next.

Mr. Manigault and *Mr. Saxby*, being elected in two Parishes, made their Election, the former for St. *Thomas* and St. *Denis's*, the latter for St. *Paul's*.
